INALLY INDIA GETS AN ACCOUNTABLE, RESPONSIVE and efficient chief executive who is on the job 21 hours a day, seven days a week, constantly engaging with the people. Narendra Modi has arrived to fulfil the aspirations of 130 crore Indians. In its first year, the Modi government has initiated massive re-structuring to create an efficient, scam-free, dynamic and responsive administration.

The very first cabinet meeting cleared the setting up of the Special Investigation Team for the black money stashed abroad. The Planning Commission has been dismantled to set up the NITI Ayog with significant participation from leaders of all 29 states and Union Territories. The move augmented better centre-state coordination in policy formulation and evolved a shared vision of national devel-
